Izzaddin named new UEM chief

UEM Group Bhd has appointed Tenaga Nasional Bhd (TNB) chief financial officer Datuk Mohd Izzaddin Idris (picture) as its managing director and chief executive officer.

Izzaddin is expected to join UEM in early July, the group said in a statement yesterday.

He will replace Datuk Ahmad Pardas Senin, who will retire on July 1.

Izzaddin has more than 20 years experience in investment banking and financial and general management.

He has been TNB's financial head since September 2004, and has also served on the board of Proton Holdings Bhd.
